

## Hurricane Ian and Carrier Claims Information

As Hurricane Ian develops, we would like to provide you with contact information for our insurance carriers in the event you might experience a covered loss resulting from this storm. We have every intention of remaining open to assist you. However, it is important for you to keep a printed copy of this list in a safe place. Our insurance carriers are prepared to assist all Ford Insurance clients and contacting them directly will ensure efficiency and accuracy.

Please continue to monitor Hurricane Ian's path and make necessary plans for you and your family. You can visit [www.fordinsfl.com/resources](http://www.fordinsfl.com/resources) for more hurricane preparation tips.

Please remember the following:

1. Take steps to protect you and your family.
2. Protect your property from further damage.
3. Keep accurate records of all expenses such as temporary repairs and additional living expenses.
4. Itemize the damaged property including the manufacturer, brand name, age, place of purchase, and purchase price.

If your insurance carrier is not listed below, please refer to your policy for claim information.
